POST-PANDEMIC : OPPORTUNITIES AHEAD FOR THE TISSUE AND PAPER INDUSTRIES IN APAC DISRUPTION AND RECOVERY

Somnath Ray, based in Jakarta, is a Principal at AFRY Management Consulting, leading advisor of choice to the world's Forest, Pulp, Paper & Paperboard, Tissue industry and Energy sector.

He is very passionate about bringing strategic insight and solutions to Forestry, Fiber, Paper & Paperboard, and Tissue segment. And, keenly interested about fiber recycling, bio-products, waste to energy and bio-energy towards creating a sustainable circular economy. He has over 12 years of experience on different strategic development projects, focusing on strategy formulation, industry and market analysis, due diligence, development and transformation, and brand management. Before joining AFRY (Pöyry), he has worked on strategic projects as Corporate planning Manager at Double A (1991) Public Ltd. Co., Thailand.

He holds Bachelor of Engineering in Electronics and Communication from VTU, India, and Master of Business Administration (Specialization in Management of Technology) from Asian Institute of Technology, Thailand. And is a PhD candidate focusing on "Co-engaging production" as extension of circular economy, at Aalto University, Helsinki, Finland.
